

KLove is family friendly radio which provides a wholesome listening alternative to most stations. Listeners of all ages are enriched by the positive messages and music played by KLove.

KLove is and has a very positive effect on the communities it serves-other programming is already available and new LPFM stations are not needed. KLove broadcasts very positive messages which in this day is a needed service. People need positive encouragement in a day when many of the influences are not positive at all.

Please do not allow KLove radio to be replaced or displaced.
